

NOW is the *right* time to consider senior living!

The Stratford at Beyer Park is proud to announce that our community will be participating in the **Pharmacy Partnership for Long-Term Care Program** announced October 16 by the Department of Health and Human Services and Department of Defense.

This means **OUR RESIDENTS** will be one of the **FIRST** groups in line to receive the COVID-19 vaccine as soon as one is available. This means NOW is the time to become a resident and enjoy the vibrant life you deserve. **This service is completely FREE for our community's associates and residents.**

We are confident that we are doing what we can to keep our residents safe and want to provide you or your loved one with a secure, vibrant and welcoming environment!
